energy conservation products for domestic & industry

## NO GOOD NEWS...

IT HAS COME TO OUR ATTENTION THAT MASTERWALL IS BEING SPECIFIED ON PLANS WHICH WE THANK YOU ALL FOR, BUT THOSE SPECIFICATIONS ARE BEING SUBSTITUTED FOR INFERIOR PRODUCT. A SYSTEM MAY STATE THAT IT IS ACCREDITED ETC, AND SOME MAY EVEN CLAIM TO HAVE RECOGNISED CERTIFICATION BUT WHEN THE FINE PRINT IS LOOKED INTO THE ACTUAL ACCREDITATION ONLY APPLYS TO THE BOARD, OR THE PRODUCTION OF THE BOARD AND THEREFORE THE ACCREDITATION HAS NOTHING TO DO WITH THE SYSTEM INSTALLED. **REMEMBER INSURANCE COMPANIES WILL WALK AWAY FROM AN UNACCREDITED SYSTEM.**
